

Green Tips for Kids

1. Use ecofriendly school supplies, such as recycled pencils.
2. Taking the school bus or walking to school saves the air of pollution.
3. When brushing your teeth turn the water off.
4. Turn off lights when you leave a room.
5. Plant a plant or tree.
6. Sort out cans, bottles and paper to help your parents recycle.
7. Playing your video games less helps on conserving energy. Read a book or play at your new playground instead.
8. Use recycled bags instead of plastic bags when grocery shopping.
9. Donate wearable's to a local organization instead throwing them away.
10. If you see trash in the street, pick it up and recycle.
